Campaign Creative

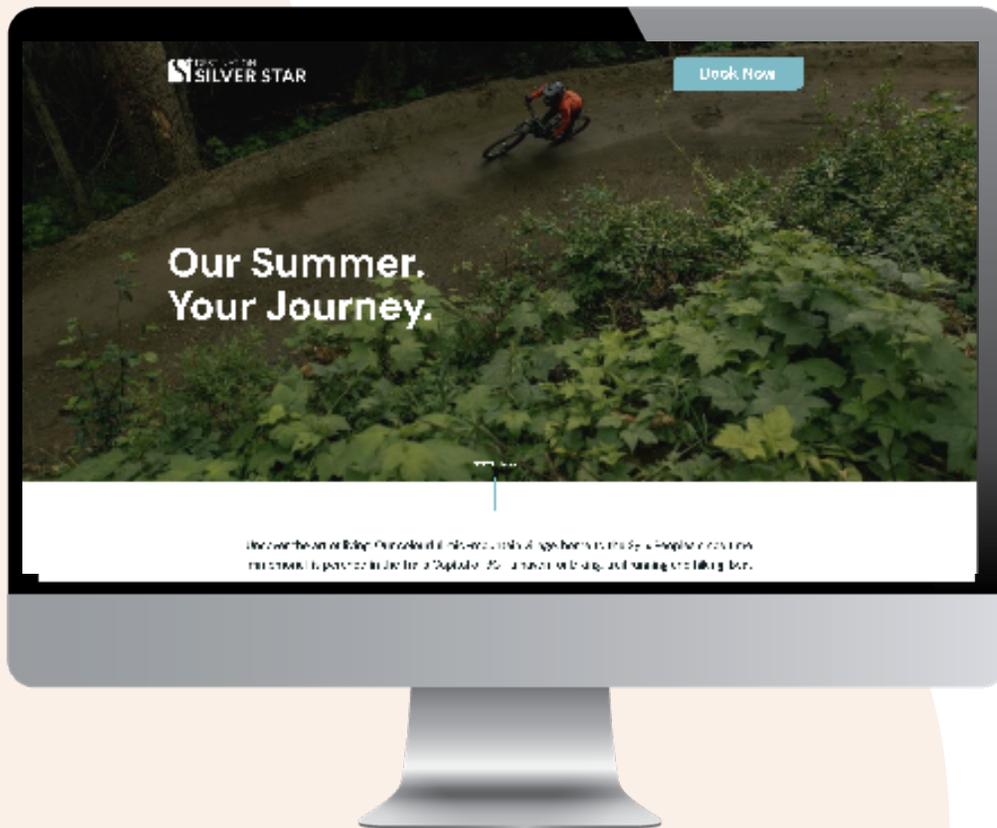

Concept: Our Summer. Your Adventure.

An evolution of the winter campaign, Our Winter. Your Adventure, we have adapted the concept to the summer months.

In the heart of every season, there's a place where you find not just adventure, but a community that welcomes you with open arms. This summer, we invite you to embark on your unique journey at Silver Star Village, where the warmth of our community knows no bounds. Just as winter brings us together under a blanket of snow, summer opens up a world of possibilities in the Okanagan sun.

Website

We have created a custom landing page to support our summer campaign, which takes visitors on a journey of discovery.

Viewers can get inspired by Silver Star's summer offerings and find helpful trip planning info in the process.
