2025 Summer Season Silver Star Occupancy

28.47 % overall average - August 1 - August 31

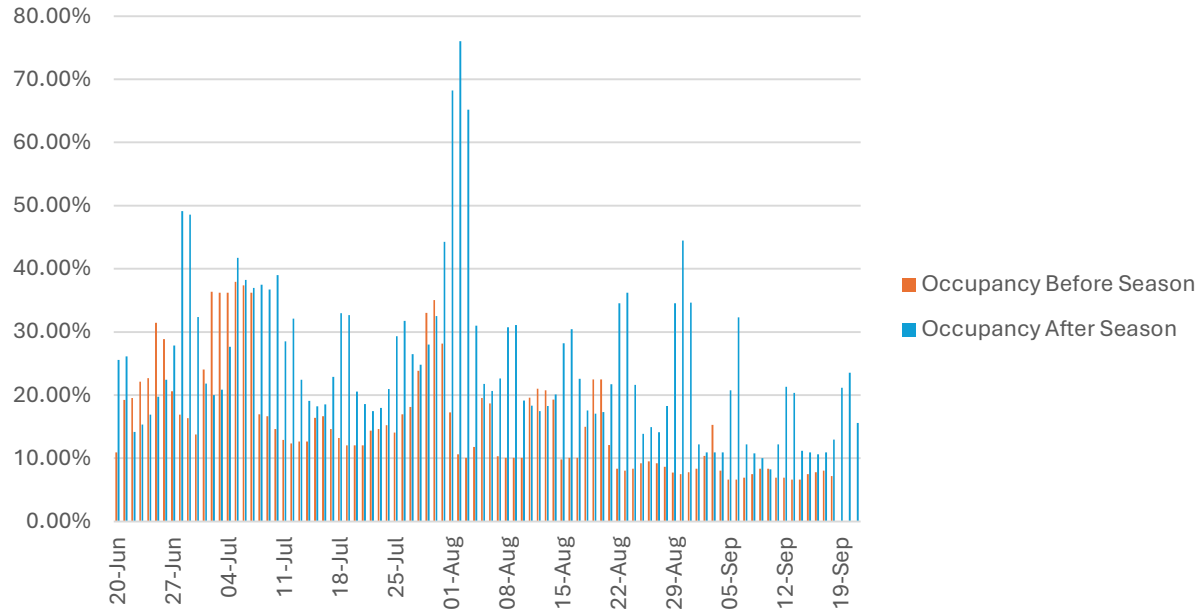

2025 Summer Season Silver Star Occupancy

14.76 % overall average - Sept 1 - Sept 21

2025 Summer Season Silver Star Occupancy
Before Season & After Season Comparison
25.02% for overall season - up 9.4% from June Occupancy Reporting

This chart compares occupancy rates at the beginning of the season (orange) with those at the end of the season (blue). The data shows that many bookings were made during the season rather than in advance. The August long weekend reached the highest occupancy, driven by the Crankworx Summer Series events.
